CLASS PROPHECY

Ladies and Gentlemen: Since we are seniors we are all looking forward to what the bright future holds for us. There are only a few of us who know what we are going to be doing, so, these are the things we prophesize that the guys and gals of the class of 1950 will be doing in the future.

The first person we see is Donna Depue. She is now co-owner of Perry Park Ranch and her dream man.

Bud Jenkins the famous debater for the Cowboys Association is now debating on the subject "Do Cowgirls Have the Same Rights as Cowboys?"

And of course, everyone has heard of Cleo Kidder who owns and operates "Cleopatra's Drive-in for Truck Drivers Only."

Bill Hewins, the famous author, of Wild West stories, is now working on a series of "The Trapper Jim Stories."

Buelah Hammond owns a beauty shop for blonde men only. She certainly gets a lot of business.

Wayne Weston is married to the girl of his dreams and operates his own gas station.

Shirley Green lives in Kiowa and has several little Buzzess and we don't mean bees.

Chuck Conrad is President of Du Pont and who is his private secretary? Who else, but Rose Mary Burns.

Sherrill Harrison now runs a home for bachelors anywhere between the ages of 17 and 75.

Bob Rossmeisl is successfully selling ladies wearing apparel to the Arabs while drilling for oil.

Rose Mary Burns became dis-satisfied as a secretary at Du Pont and is now a missionary in the Belgium Congo.

Ted Steele is running a dude ranch for lovely women.

Marilyn Goehry is testing V-2 rocket planes. "Happy Landings!"

Dick Remly is now giving dancing lessons to middle-aged women. "Be careful of their toes, Dick."

Juanita Rothschof is chief cleaning woman at the Stork Club. "Keep Em Flying!"

Loren Alexander is refereeing women's wrestling matches at Madison Round Garden.

Jeannine Smith is head surgeon at the Mayo Clinic. "Keep the knife sharp!"

Richard Andersen is working on plans for the new jet-propelled Buicks.

Wilma Perley is helping Bob drill for oil while keeping care of two little blonde headed boys.

Quentin Johnson is now a big wheel on a tractor riding through his apple trees.

Baby sitter, Anna Cogswell, has been elected chief among the babies to sit with.

Ray Walker now owns the Walker Tinker Toy Construction Company.

Class Prophecy -2

Doris Best is now married to a dairy farmer and is kept busy milking cows.

Boyd Thomas owns a trans-continental trucking firm. "Keep them rolling!"

Margarett Craig is the County Nurse of Douglas County. If you have any aches or pains just take them to Maggie.

LeRoy Howard is a janitor at the Green Palace Hotel, in charge of the spittoon cleaning.

Virgil Brauer is a professional architect for building prefabricated houses.

Jean Ashburn is now married to Corky and is teaching bronc riding to eastern women.

Aildean Bradley is now selling bed spreads to the Navajos. "Wha-Hoo!"

Walter Burch is chief swami of the Fortune Teller's Union.

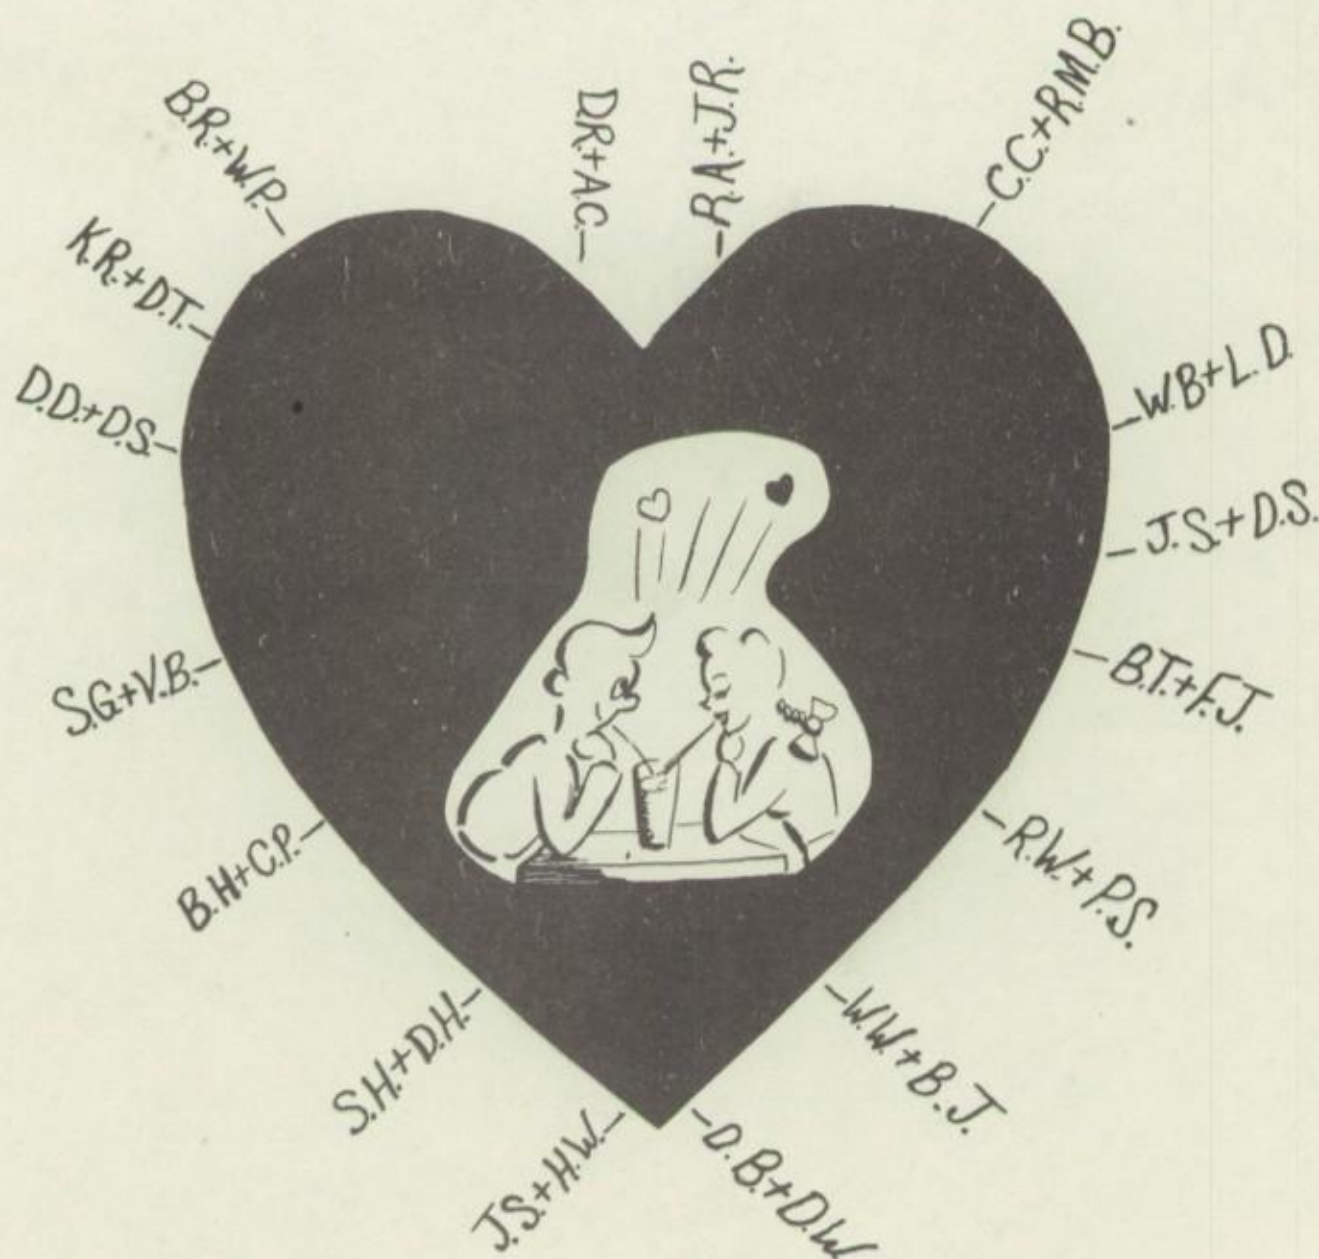

Carl Driver is in the business of constructing houses for midgets.

Joann Maulsby and her husband are now the most noted wheat farmers of the western states.

Ken Rosendale is the co-owner of the National Western Stock Show.
